

# Usability and Customization Options for Primo VE: Learning to Love a Fixer-Upper

SUNYLA 2019

Michelle Eichelberger

Jill Locascio

Rebecca Nous

# Editing Customization Package

The edits that are included in this session vary in their difficulty to implement, but most of them are simple copy/paste from the documentation.

This [FAQ](#) offers step-by-step instructions for editing the discovery customization package and also includes a screen capture that shows how to do it.

# Authentication

What does it do for patron?

- Gives them access to “My Account”
- Lets them place Hold or SUNY Resource Sharing request
- Gives them search results from EBSCO API or other indexes that require sign-on

What doesn't it do?

- Sign patron into proxy for off-campus access to full-text
- Sign patron into ILLiad for article requests

**Sign In** Use Technion email for full access

The image shows a library interface for a specific item. At the top is a search bar labeled "Find in library". Below it, the section "ITEM'S LOCATION" is displayed. The location is "Industrial Eng. and Management", with a status of "Available" in green text, followed by "General - two weeks 658.3KM ISH" and "(1 copy, 1 available, 0 requests)". To the right of this text is a three-line menu icon. Below the location information is a white box containing the text "Item in place" and "Loanable" with a downward-pointing chevron icon on the right. At the bottom left is a green "Sign In" button, and to its right is the text "Use Technion email for full access".
